

Curb Inlet Protector

Standard Sections List

C-48-9	 <p>48" Center Section</p>
C-36-9	 <p>36" Center Section</p>
C-24-9	 <p>24" Center Section</p>
L-48-9	 <p>48" Left End Section</p>
R-48-9	 <p>48" Right End Section</p>

Sections can be purchased individually, or in any combination, and all of the sections interlock with each other. Because they are produced by a computer router, it is easy to produce custom shapes and sizes to make retrofitting existing curb inlets simple.
